

## Social Club News

Did you know that Hidden Trails has it's very own social Club? The group had it's initial event on, Sunday, August 29<sup>th</sup>. Over 100 people attended the first annual block party on Meadowgrass Lane. Residents shared food, fun and conversation. So join in, get to know your neighbor! To make suggestions for future events or find out how you can help call Jon Coffman at 738-0733.

## Neighborhood Watch

"We look out for each other." Neighborhood Watch groups are being formed throughout the Hidden Trails Community. Enjoy the camaraderie of your neighbors and share information, while protecting your neighborhood and families. Meetings allow neighbors to become familiar with each other. This makes it harder for a stranger to go undetected.

Unfortunately the community has already had several incidents of break-in, theft and graffiti. It's time to ban together and take a proactive approach. Call Connie Phillips at 739-8628 to find out how you can become involved.

## Speed Alert

Be aware. Hidden Trail has lots of families with small children. Keep your speed down and eyes open for children, pedestrians and pets. It is each individuals responsibility to keep our community safe.
