

NATIONAL NIGHT OUT AUGUST 2, 2016

POLICE • COMMUNITY PARTNERSHIPS

Mark the date on your calendar. This year the National Night Out (NNO) will be held on Tuesday, August 2nd. NNO is an event held annually across the nation that promotes a sense of partnership between a community & its police officers. The purpose of NNO is to build camaraderie among neighbors to create safer, better places to live. True to the premise of the NNO, Hidden Trails will have representatives from the Escondido Police & Fire departments. This will be an opportunity for the residents of Hidden Trails to meet & have a conversation with local emergency responders before they are called upon to do their jobs.

In 2015, everyone who attended the NNO had a great time. It was very enjoyable meeting residents from different parts of the community in such a relaxed & cordial atmosphere. This year, along with the chance to meet representatives from fire protection & law enforcement, we are planning a community potluck dinner, face painting & games for our younger residents, and perhaps we can get the Shave Ice Truck back.....

More information about the 2016 NNO will be posted on the HT Neighbors FB site. We plan to hang some banners at the entrances to our neighborhood to remind people of the event & distribute flyers to all residents with more detailed logistical information. If you are interested in helping organize the NNO, please contact Mary Lytch at mmarkov24@yahoo.com or Charlotte Kutilek at porodnisestra@gmail.com.

STAY SAFE AND WE'LL SEE YOU ON AUGUST 2nd!

MEETING DATE:

The next **Board of Directors meeting** will be held on **Monday, July 11, 2016, 7:00 p.m.** at the Community Center located at 2245 East Valley Parkway, Escondido
